Registered Charity: 1168754

## The Trust for Unpopular Causes

### Who We Are

The Brighton Trust was formed in January 2016 and became a charity in August 2016. We were set up by Brighton Unemployed Workers Centre and we receive an annual grant from a trust fund that the Centre established in May 2014.

We are a small charitable trust with an annual income of between five and ten thousand pounds. We make small grants, normally between £50 and £250 to a range of groups.

As our working title implies, we wish to support groups who are actively challenging the status quo, racism, discrimination, oppression and exploitation. Our trustees are all delegates to Brighton and Hove Trades Council or otherwise active in the trade union movement.

### Our Grant Making Policies

We make grants of between £50 and £250 to organisations that meet the above criteria. If you wish to apply to us please send us an email to:
